Lori Vashaw opened Riverview Wellness Center in June 2002. When she opened the center, she had approximately 30 nutritional clients whom she was seeing out of her home in Oswego, N.Y. Currently, Lori is seeing 80 to 100 nutritional clients per week using Standard Process and MediHerb products. She has a nutritional cash practice that generates over .7 million dollars annually. Learn the systems that Lori uses to manage her practice, clients, and employees in this two-day workshop. Each participant will receive a health assessment in addition to a CD containing all the forms discussed in the workshop. Seating is very limited.
